RE

ADMISSION TO TEACHERS' COLLEGES IN SEPTEMBER, 1953.

The Minister of Education announces that the requirements for admission to Teachers' Colleges in September, 1953, will be as follows:[x]

ADMISSION REQUIREMENTS

1. *For the One-year Course*

An applicant who holds standing in eight Grade XIII papers, one of which shall be English Literature or English Composition, *or* a degree approved by the Minister from a university in the British Commonwealth, will be admitted to the one-year course leading to an Interim First Class certificate.

An applicant may submit, in lieu of the Grade XIII standing outlined above, evidence of successful completion of any *one* of the following:

(i) the Preliminary Year at McMaster University;
(ii) the First Year at the University of Western Ontario;
(iii) the First Year at the University of Ottawa, provided that the course includes English 1, 1a, 1b, and French 1;
(iv) the First Year at Carleton College;
(v) the Two-year Diploma Course in Home Economics at the Ryerson Institute of Technology;
(vi) the Two-year course in "Art Education for Prospective Teachers" at the Ontario College of Art.

The Teachers' College course for applicants admitted under (v) or (vi) above will be offered at Toronto only.

2. *For the Two-year Course*

An applicant who holds the Secondary School Graduation Diploma of the General Course will be admitted to the two-year course leading to an Interim First Class certificate.

GENERAL INFORMATION

1. Each applicant for admission to a Teachers' College shall be interviewed by a representative of a Teachers' College Committee of Selection. Individual interviews will be arranged through the offices of the principals of the secondary schools during the last three or four months of the school year. Applicants not attending secondary school should write directly to the principal of the Teachers' College of their district as early as possible in the calendar year regarding arrangements for an interview.

2. Before being finally admitted to a Teachers' College each applicant is required to pass a physical examination conducted by a medical examiner appointed by the Minister of Education. The medical examination, for which a fee of $2.00 will be paid by the applicant, will be given at the Teachers' College on the opening days of the session.

3. *Application forms for admission may be obtained from the Deputy Minister, Department of Education, Parliament Buildings, Toronto, after July 1, 1953.*

3. For the Two-year Course

Subject to the proviso that the number of admissions may have to be limited, an applicant who holds the Secondary School Graduation Diploma of the General Course with at least four options will be admitted to the Two-year Course leading to an Interim Elementary-School Teacher's Certificate. Should the enrolment have to be limited, a selection will be made on the basis of the academic record of the applicants in Grades 11 and 12. *Applications should be forwarded to the Deputy Minister of Education on or before July 13, 1962, and no assurance can be given that applications forwarded after that date will receive consideration.* (Note: Students planning to enter the teaching profession would be well advised to obtain the Grade 13 standing required for admission to the One-year Course.)

GENERAL INFORMATION

1. Each applicant for admission to the One-year Course or the Two-year Course at a Teachers' College shall be interviewed by a representative of a Teachers' College Committee of Selection. Individual interviews will be arranged through the offices of the principals of the secondary schools during the last three or four months of the school year. Applicants not attending secondary school should write directly to the principal of the Teachers' College of their district as early as possible in the calendar year regarding arrangements for an interview.

2. Before being finally admitted to a Teachers' College each applicant is required to pass a physical examination conducted by a medical examiner appointed by the Minister of Education. The medical examination, for which a fee of $3.75 will be paid by the applicant, will be given at the Teachers' College on the opening days of the session.

3. Application forms for admission may be obtained from the Deputy Minister, Department of Education, Parliament Buildings, Toronto, after March 1, 1962; applications should be forwarded to the Deputy Minister by July 13, 1962.

RE: Academic requirement for entrance to Two-year Course at Teachers' Colleges.

Circular 611, dated August 20, 1963, regarding admission to Teachers' Colleges in September, 1964, reads, in Section 2 as follows:

2. For the Two-year Course

Subject to the proviso that the number of admissions may have to be limited, an applicant who holds the Secondary School Graduation Diploma of the General Course with at least four options will be admitted to the Two-year Course leading to an Interim Elementary-School Teacher's Certificate. Should the enrolment have to be limited, a selection will be made on the basis of the academic record of the applicants in Grades 11 and 12. --- RE ---

ADMISSION TO TEACHERS' COLLEGES IN SEPTEMBER, 1966

The Minister of Education announces that the requirements for admission to Teachers' Colleges in September, 1966, will be as follows:

ADMISSION REQUIREMENTS

The One-year Course

An applicant who holds standing in the three-hour paper in Grade 13 English (or English Composition and English Literature of this Grade), and six additional Grade 13 papers or a degree approved by the Minister from a University in the Commonwealth of Nations, will be admitted to the One-year Course leading to an Interim Elementary-School Teacher's Certificate.

NOTE 1. For admission to a Teachers' College, the following three-hour Grade 13 examinations, if written successfully in 1965, or in 1966, will count as two papers: English, français, French, German, Greek, Italian, Latin, Russian and Spanish. All other Grade 13 examinations written in 1966, or previously, will count as one paper.

NOTE 2. An applicant for entrance to a Teachers' College may not claim credit for more than two papers for his standing in any one language.

NOTE 3. The single paper in Grade 13 Biology, if written successfully in June, 1966, will count as one paper for the purpose of qualifying for the Secondary School Honour Graduation Diploma or for Student Aid. However, where a candidate includes Biology as part of his programme for admission to a Teachers' College in 1966, seven papers will be accepted for admission; in 1967, a similar concession will be made, but in 1968 no further consideration will be given to such applicants. Standing in Grade 13 Botany and Grade 13 Zoology will each count as one paper. An applicant may not claim credit for more than two papers for any combination of Botany, Zoology and Biology.

An applicant may submit, in lieu of the Grade 13 standing outlined above, evidence of successful completion of any one of the following:

(i) the Qualifying University Year at Carleton University, including English 10;
(ii) the Preliminary Year at the Laurentian University of Sudbury, including English 1;
(iii) the Pre-University Year at the University of Ottawa, including English 0402 and 0422;
(iv) the Preliminary Year at the Waterloo University College, including English 10;
(v) the Preliminary Year of the affiliated colleges of the University of Western Ontario, including English;
(vi) the Two-year Course in Home Economics (Teachers' College Option) at the Ryerson Polytechnical Institute;

(vii) the Preliminary Year at the University of Windsor, including English 5;
(viii) the Two-year Course in Pre-School Education at the Ryerson Polytechnical Institute.

The Teachers' College course for applicants admitted under (vi) will be offered at Toronto Teachers' College only.

The Two-year Course

The Two-year Course will not be offered in 1966.

GENERAL INFORMATION

1. Each applicant for admission to the One-year Course at a Teachers' College shall be interviewed by a representative of a Teachers' College Committee of Selection. Individual interviews will be arranged through the offices of the principals of the secondary schools during the last three or four months of the school year. Applicants not attending secondary school should write to the Principal of the Teachers' College of their district as early as possible in the calendar year regarding arrangements for an interview.

2. Before final admission to the Course, proof of freedom from active tuberculosis must be established. Arrangements for a tuberculin test, and an x-ray if necessary, will be made at the Teachers' College during the opening days of the Course.

3. An application form for admission may be obtained from the Principal of a Teachers' College after March 1, 1966, and should be completed and forwarded to the Principal concerned by August 15, 1966. An applicant should write to the Principal of the Teachers' College nearest his home.

RE

ADMISSION TO TEACHERS' COLLEGES IN SEPTEMBER, 1969

The Minister of Education announces that the requirements for admission to Teachers' College in September, 1969, will be as follows:

The One-year Course

1. The academic requirement for admission to the One-year Course leading to an Interim Elementary School Teacher's Certificate at a Teachers' College, other than Sudbury and the University of Ottawa Teachers' Colleges, will be standing in seven Grade 13 credits, including English, with an average of at least 60 per cent, or a degree approved by the Minister from an accredited university.

   An applicant may submit, in lieu of the Grade 13 standing outlined above, evidence of successful completion of any one of the following:

   (a) the Qualifying University Year at Carleton University, including English 10;
   (b) the Preliminary Year at Laurentian University of Sudbury, including English 1, or English 2 and 3;
   (c) the Pre-University Year at the University of Ottawa, including English 0402 and 0422;
   (d) the Preliminary Year at Waterloo University College of Waterloo Lutheran University, including English 10;
   (e) the Preliminary Year of Brescia College, affiliate of the University of Western Ontario, including English;
   (f) the Preliminary Year at the University of Windsor, including English 5;
   (g) a two-year or a three-year course at a College of Applied Arts and Technology or the Ryerson Polytechnical Institute with at least a 60 per cent average in the subjects of the second year;
   (h) the course leading to an Associate of the Ontario College of Art.

   A graduate of the Two-year Course in Home Economics (Teachers' College Option) at the Ryerson Polytechnical Institute will be admitted to the Intermediate Home Economics option which is offered at the Toronto Teachers' College only.

2. The academic requirement for admission to the One-year Course

(over)

leading to an Interim Elementary School Teacher's Certificate at the Sudbury Teachers' College and the University of Ottawa Teachers' College will be standing in seven Grade 13 credits, including English and français, with an average of at least 60 per cent, or a degree approved by the Minister from an accredited university.

An applicant may submit, in lieu of the Grade 13 standing outlined for this course, evidence of successful completion of the Pre-University Year at the University of Ottawa, provided that the course includes English 0402 and 0422, or anglais 0422, and français 0412 and français 0432; or evidence of successful completion of the Preliminary Year at Laurentian University of Sudbury, provided that the course includes English 1 or English 2 and 3, and français 1 or français 2 and 3.

3. (a) For admission to a Teachers' College, History, Physics, Chemistry, Algebra (old course), Geometry, Trigonometry and Statics, Biology, Botany, Zoology, Accountancy Practice, Secretarial Practice, Mathematics of Investment, Music, Geography, Art and Home Economics will each count as one credit; the languages will each count as two credits; Introduction to Analysis (Mathematics A) will count as two credits; Algebra (Mathematics B) will count as two credits; a combination of Introduction to Analysis (Mathematics A) and Algebra (Mathematics B), however, will count as three credits only.

(b) An applicant may not claim more than two credits for his standing in any one language; more than three credits for his standing in Mathematics; or more than two credits for any combination of Biology, Botany and Zoology.

(c) The following conditions will apply in the calculation of the total of 420 marks required:

1) an applicant's mark in the obligatory language(s) will be counted twice;

2) if an applicant obtains standing in papers that have a value of seven credits only, and if three of these credits are in Introduction to Analysis (Mathematics A) and Algebra (Mathematics B), the higher of the two will be counted twice;

3) an applicant who obtains standing in papers that have a value of more than seven credits may, where it is to his advantage, have his mark in a two-credit paper, namely a language other than the obligatory one(s), Introduction to Analysis (Mathematics A) or Algebra (Mathematics B),

(i) not counted,
(ii) counted once, or
(iii) counted twice;

4) a maximum of three credits in Mathematics for any combination of Introduction to Analysis (Mathematics A), Algebra (Mathematics B), Algebra (old course), Mathematics of Investment, Geometry, and Trigonometry and Statics may be counted;

5) a maximum of two credits for any combination of Biology, Botany and Zoology may be counted;

6) standing in both French and français will not be counted;

7) an applicant who submits standing obtained at a Conservatory of Music in lieu of Grade 13 Music in order to make up a total of seven credits will be required to have at least 360 marks in the six Grade 13 credits.

The Two-year Course

The academic requirement for admission to the Two-year Course leading to an Interim Elementary School Teacher's Certificate at the Sudbury Teachers' College and the University of Ottawa Teachers' College, in September, 1969, will be the Secondary School Graduation Diploma of the Five-year Program in one of the Branches, including français, or the Secondary School Graduation Diploma of the General Course with at least four options, including français.

The Primary School Specialist Certificate Course

The requirement for admission to the Primary School Specialist Certificate Course offered at the Hamilton, Ottawa and Toronto Teachers' Colleges in September, 1969, will be one of the following:

(a) an Interim or Permanent Ontario Elementary School Teacher's Certificate or an Interim or Permanent Ontario First Class Certificate or an equivalent Letter of Standing;

(b) a certificate that the applicant holds a university degree. This degree must be from an accredited university and be approved as to standard and content of courses by the Minister of Education.

GENERAL INFORMATION

1. Each applicant for admission to a Teachers' College will be interviewed by a representative of a Teachers' College Committee of Selection. Individual interviews will be arranged through the offices of the principals of the secondary schools during the last three or four months of the school year. An applicant

(over)

not attending secondary school should write to the Principal of the Teachers' College of his district as early as possible in the calendar year regarding arrangements for an interview.

2. Before final admission to the Course, proof of freedom from active tuberculosis must be established. Arrangements for a tuberculin test, and an x-ray, if necessary, will be made at the Teachers' College during the opening days of the Course.

3. An application form for admission may be obtained from the Principal of a Teachers' College after March 1, 1969, and should be completed and forwarded to the Principal concerned by August 1, 1969. An applicant should write to the Principal of the Teachers' College nearest his home.

Effective September 1, 1971, an applicant for admission to a program leading to elementary school teacher certification in Ontario at a Teachers' College operated by the Department of Education will be required to submit evidence of successful completion of one of the following:

(i) one year beyond Grade 13 in an academic degree program at an accredited university (a minimum of five full-credit university courses);

(ii) Grade 13 with standing in seven credits, plus successful completion of a two-year course at a College of Applied Arts and Technology or Ryerson Polytechnical Institute;

(iii) the course leading to a diploma as Associate of the Ontario College of Art.

NOTE:

1. A Grade 13 graduate with standing in seven credits who completes successfully the two-year course (Teachers' College option) in Home Economics at the Ryerson Polytechnical Institute or the Centennial College of Applied Arts and Technology may enrol in the Intermediate Home Economics option offered only at the Toronto Teachers' College. A Grade 12 graduate enrolled in the Home Economics course at one of the aforementioned institutions in 1969-70 may enrol in the Intermediate Home Economics option at the Toronto Teachers' College in 1971, provided that she has completed the

(over)

two-year course in Home Economics with an average of at least sixty per cent in the subjects of the second year, but such applicants will not be admitted to a teachers' college in subsequent years.

2. A Grade 12 graduate enrolled in a two or three-year course at a College of Applied Arts and Technology in 1969-70 will be admitted to a teachers' college in September, 1971, on completion of the second year of the course with an average of at least sixty per cent but such applicants will not be admitted to a Teachers' College in subsequent years.

(b) Primary School Specialist Certificate Course

The requirement for admission to the Primary School Specialist Certificate Course offered at the Hamilton, Ottawa and Toronto Teachers' Colleges in September, 1971, will be one of the following:

(i) one year beyond Grade 13 in an academic degree program at an accredited university (a minimum of five full-credit university courses) and an Interim or Permanent Elementary School Teacher's Certificate, or an equivalent Letter of Standing;

(ii) a university degree approved by the Minister.

2. French-speaking

Effective September 1, 1971, an applicant for admission to the Sudbury Teachers' College in a program leading to teacher certification for the bilingual elementary schools of Ontario will be required to present evidence of successful completion of Grade 13 with standing in seven credits including English and français and an average of at least sixty per cent, or equivalent standing.

NOTE:

The first year of the two-year course for Grade 12 graduates formerly offered at the Sudbury Teachers' College will not be offered after the 1970-71 session.

II FACULTIES OF EDUCATION

1. To be eligible for elementary school teacher certification in Ontario an English-speaking applicant wishing to pursue a course in teacher education offered by a faculty of education of a university must meet the admission requirements of that institution and complete successfully one year beyond Grade 13 in an academic degree program (a minimum of five full-credit courses), in addition to a year of professional training whether taken consecutively or concurrently.

2. To be eligible for elementary school teacher certification valid in a bilingual school, a French-speaking applicant must have completed Grade 13 or an approved equivalent course, meet the admission requirements of the university concerned, and complete successfully a one-year program in teacher education.

3. An applicant who wishes to enrol at a university offering a program in professional education for prospective elementary school teachers should write to the Dean of the university concerned for information regarding admission requirements, courses, etc.
